In Appreciation

A friend for a long, long time ... and one that is long remembered ... Mr. Theo Woodham serves the Geneva County High School in the capacity of assistant to the Principal. In his career at GCHS, which began in September, 1960 he serves as a guiding spirit to sports, classes, and administration. More than that, however, he is a faithful friend. His cheery smile, pep talks, and witty jokes are well known on the campus. Mr. Woodham, our great respect and deep appreciation are yours.

Dedication

Returning after a prolonged and successful leave, Mr. Dasinger this year becomes our band director again. It was with gratifying and confident pride that we welcomed his return. Immediately, he initiated his plans for reappraising the educational policy of our school. He concentrated his efforts upon an increasing appreciation for the students. The Geneva County High School owes more than one neatly bound volume to this big man of strength. This is the least we can do; with repeated pride we dedicate the 1970 Gecorala to:

Mr. Norman D. Dasinger

MR. JOSEPH P. GRANGER

Probably the one man who directly touches the lives of our student body more than any other is the principal. Inevitably, some of his dignity, his sincerity and his warm regard for his fellow man has rubbed off on each of us with whom he has come in contact. We sincerely believe that from our association with him we are better students, men and women.

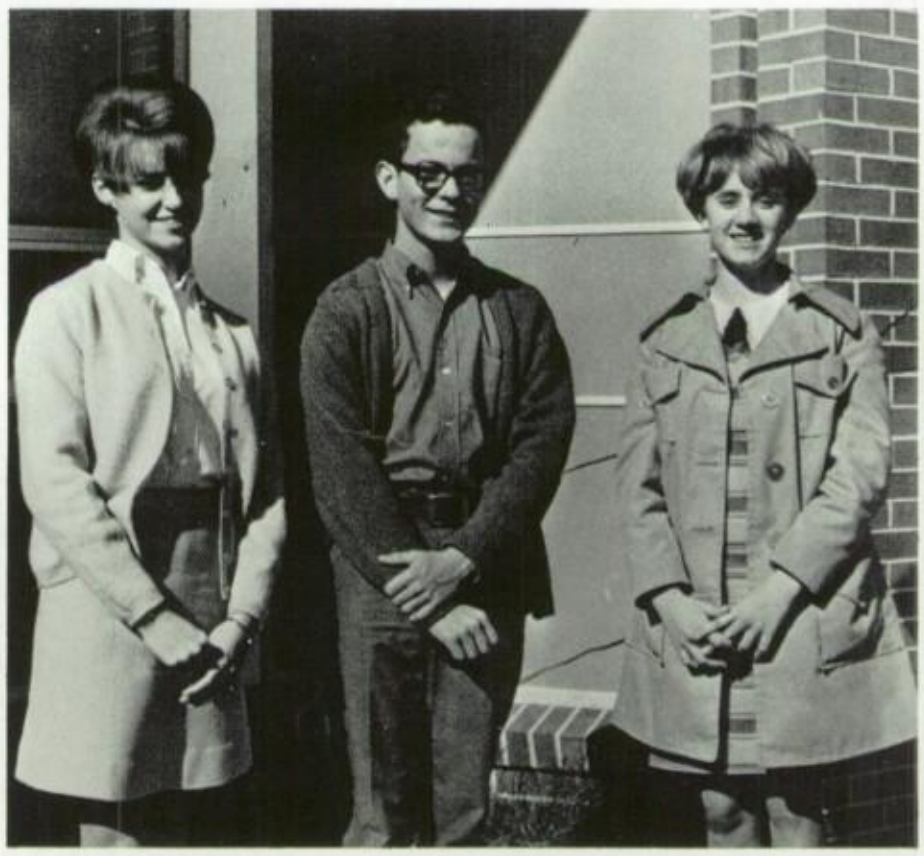
Ge-Co-Bugle Reports Monthly Campus News

The staff of the GeCo-Bugle publishes a newspaper to inform students of the happenings in and around GCHS, as well as to let students air their views on school and community issues.

And The Beat Goes On!

The Ge Co Hi Band was an outstanding feature at the ball games this year. The band, under the capable leadership of Mr. Norman Dasinger, kept most fans in their seats at half time to see and hear the outstanding sound of the Southeast. It was noticable in all the music and precision drills, the band knew what it was doing. Hats off to a great year for an outstanding High School Band.



President - Jill Hardwick, Vice-President - Frank Daughtry, Secretary-Treasurer - Juliann Brannon.

Majorettes Put Their Best Foot Forward

The GCHS majorettes again delighted halftime audiences with their high-stepping routines. Being able to do something that not everyone else is capable of, gives a person a certain degree of confidence. But it takes more than confidence to motivate a skilled team such as the majorettes to perform before friends and strangers when a careless movement can truly upset the show. It calls for the ability to cooperate and understand the responsibility of a good performance.

Spellbound is the best way to describe the color guard! That's what their performance did to the audience! No one could ask for more dignity, beauty, patriotism and dedication portrayed by the color guard.

Spirit Personified

Cheerleaders build pyramids during assembly.

Cheerleaders reach their goal.

If spirit could possibly be personified, it would take the name cheerleader. Although the title is often identified with short skirts and megaphones, the term means something more. It signifies a unified effort of a group who senses the tremendous importance of school support in every phase of activity - from the daily smile to the laryngitis after the game.

The Powder-Puff activities are sponsored by the Key Club. Each year the girls look forward to their exciting football games. The girls learn to call plays, do exercises, kick and pass, and get a little dirty. The game is always very different because the rules change as the game is played.

This year the name of the teams were The M&M Maulers and The Super Sports. The winning team was The M&M Maulers, with the score 16-6.

Action in Spanish class.

Spanish Club

GCHS students are given the opportunity to study a foreign language. In this age of conflict among nations, world-wide travel, and ever-mounting interest in the cultures of other countries, a knowledge of foreign languages can become a pathway to peace by opening the lines of communication. The Spanish is spiced by a Southern drawl. The giggles and blushes at unusual sounds, and the grins of satisfaction at the accidentally correct guess are familiar to the language teacher. Learning a foreign language is often difficult, but the knowledge gained is of great value in understanding the people of other nations.

Office Club

The purpose of the Office Club is to help the office secretary with work. The members also get experience in various office responsibilities.

Students help by answering the telephone, typing, doing errands, counting money, keeping reports, and working office machines.

Although only girls take it, Home Economics is offered to all GCHS students. Along with sewing and cooking, much is done in the field of color coordination, mother and child care, first aid and home management. Students are taught how to prepare basic dishes. Much importance is put upon neatness and skill and the students often wear the clothes they make to school. As an elective, Home Economics has become a very popular subject. The students are given invaluable knowledge for their future roles as homemakers. Advisor - Mrs. Peggy Miller.
